

About the Author

Kate is smart, wise, down-to-earth, funny, energizing consultant/trainer who inspires change and people skills growth. Her consulting and workshops spur improvements in communication, customer service, teamwork, employee engagement, and leading change.

As a speaker on professional people skills (also known as soft skills), Kate captivates and provokes audiences with energy, humour, caring and realism.

As a trainer, Kate is the best at inspiring and teaching professional people skills for customer service, teamwork, employee engagement, leading change, and change-ability.
